

The Vsmart Extensions team is proud to announce Vportfolio 1.2.

This is an important security release, we highly recommend all users to upgrade now! All previous versions of Vportfolio are susceptible to a Directory Traversal open folders (http://en.wikipedia.org/wiki/Directory_traversal). Vportfolio 1.0 resolves this issue. Many thanks to The Joomla! Extensions Directory Team for alerting us regarding the issue!

This link for updating Vportfolio 1.0 to 1.2:
